

October 13, 1992

Karen Zackheim  
616 Helena Ave., Rm 302  
Helena, MT 59620

Dear Karen:

Site preparation at the Tie Plant for the Land Treatment Unit (LTU) was completed last week and the final plans for construction of the LTU are nearly finished. Depending on when changes to the LTU plan can be made by Burlington Northern, construction could begin this year.

The next meeting of the Somers Citizens Advisory Group has been scheduled for 7 p.m. on Monday, October 19, 1992, in the Somers Fire Hall. Topics for discussion will be:

- o Site preparation activities
- o LTU design
- o LTU construction schedule
- o Community concerns - dust, noise, etc.
- o Landscaping

Please let me know if you have other topics that you wish to discuss. I can be contacted by telephone at 1-800-648-8465 (toll free). Ask for Jim Harris at the EPA office.

Sincerely,

James C. Harris, P.E.  
Project Manager
